

Complete Food Supreme has been formulated with five essential supplements blended together into one comprehensive or "Complete" formula. Each capsule contains all of these five components: a vitamin-mineral, a complete spectrum coral calcium mineral, an antioxidant, a fish oil rich in omega-3 fatty acids and a phytonutrient. Each of these components address separate, specific needs of your body.

Complete Food Supreme is loaded with extracts of fruit and vegetables such as garlic, broccoli, cranberry, spinach, tomato, mango and other herbs. See back of brochure for details.
